Dear Parents and Guardians:

The Young Men of PRIDE will hold a car wash at King's Fork Middle School on Saturday, June 3, 2017. The car wash will last from 8:30 till 12:00 noon. YMOP will be responsible for washing, rinsing, and drying the exterior and detailing the tires with tire cleaner. We will set up behind the school (cafeteria area). Students should dress to wash cars; however school dress code must be followed. No tank tops or flip flops allowed. YMOP will be asking for a \$5.00 donation for the car wash. Please bring your cars by and let our young men clean up your car.

Thank You,

Steve Smith
